Reproduction (ASPIRE 2020), Manila, Philippines to 4 – 7 August 2020**

The Executive Board of the Asia Pacific Initiative on Reproduction (ASPIRE) have been monitoring the COVID-19 outbreak closely in the past two weeks and we are still uncertain how the situation will unfold in the coming weeks.

In prioritising the interest and safety of all delegates, speakers, sponsors, exhibitors, staff and contractors involved in the congress, ASPIRE have decided to postpone the 10th Congress of the Asia Pacific Initiative on Reproduction (ASPIRE 2020).

ASPIRE 2020 will now take place from **Tuesday, 4 August 2020 – Friday, 7 August 2020** at the same venue – Philippine International Convention Center (PICC), Manila, Philippines.

We hope all of you can keep your commitments to ASPIRE 2020 in the postponed dates (4 – 7 August 2020).
